

"... make you as brilliant as Albert Einstein.  
Or at least let you write like him.  
Or at least write in his handwriting."  
THE WALL STREET JOURNAL

"If you could write like Einstein, would it help you to think like Einstein?"  
THE  TIMES

"The font is beautiful ... And hey, it won't make you a genius, but isn't there something kind of lovely about borrowing the handwriting of one of history's favorite geniuses?"  
The Washington Post

"... if your colleagues aren't taking you seriously, then perhaps you could start sending e-mails in a new font that mimics the handwriting of Albert Einstein." Physics World July 2015
